Memorandum of Agreement
Overview

Legislation enacted by the Kentucky General Assembly in 1992 (SB260) and 1994 (HB826) established KECSAC and defined "state agency children" (SAC) and the role of school districts in the provision of services to these youth (KRS 158.135). Subsequent regulations provide the foundation for the Memorandum of Agreement (MOA) between KECSAC (administered by the Eastern Kentucky University, College of Education) and the school district providing educational services to state agency children.

Working in cooperation with the Kentucky Departments of Education (KDE); Juvenile Justice (DJJ); Behavioral Health, Developmental and Intellectual Disabilities (BHDID); Community Based Services (DCBS); and Local Education Agencies, KECSAC annually requires that each school district submit the following items as attachments for each program to this MOA:

- **ATTACHMENT 1** - A total budget for the education of state agency children in the treatment programs in project budget report MUNIS format.
- **ATTACHMENT 2** - A comprehensive annual budget for the state agency children educational program.
- **ATTACHMENT 3** - A completed Program Educational Calendar Worksheet.
- **ATTACHMENT 4** - A plan for making up any of the 210 instructional days due to inclement weather or other district planned events.
- **ATTACHMENT 5** - A completed SEEK Calculation Worksheet.
- **ATTACHMENT 6** - A current 2014-2015 Interagency Agreement between the school district and treatment program (not required for Department of Juvenile Justice programs).
- **ATTACHMENT 7** - A Program Improvement Plan (PIP).
- **ATTACHMENT 8** - Implementation and Impact Check, based upon 2013-2014 Program Improvement Plan.
- **ATTACHMENT 9** - A Student Transition Plan (STP).

The MOA and attachments form the basis for the operation and distribution of State Agency Children's Funds (SACF) for the delivery of education services to SAC.

State Agency Children as defined in KRS 158.135 are:

1. (a). Those children of school age committed to or in the custody of the Cabinet for Families and Children and placed, or financed by the cabinet, in a Cabinet for Families and Children operated or contracted institution, treatment center, facility, including those for therapeutic foster care and excluding those for nontherapeutic foster care; or
(b) Those children placed or financed by the Cabinet for Families and Children in a private facility pursuant to child care agreements including those for therapeutic foster care and excluding those for nontherapeutic foster care;
2. Those children of school age in home and community-based services provided as an alternative to intermediate care facility services for the mentally retarded; and
3. Those children committed to or in custody of Department of Juvenile Justice, and placed in a department operated or contracted facility or program.

The passage of SB260 in 1992 envisioned KECSAC as serving youth in state operated or contracted residential and day treatment programs. With the passage of HB826 in 1994, a diverse array of treatment programs were brought under the SAC definition. With the passage of HB117 in 1996, KECSAC services were extended to youth under the care of the Department of Juvenile Justice. For the purposes of this MOA and the operation of SAC education programs, the following definition of on-site education programs is provided:

Definition of On-Site Education Programs

An on-site state agency children education program exists when more than fifty percent (50%) of the eligible state agency children in the program are provided with educational services at the treatment program by a local school district on December 1st.

The educational programs that serve SAC must meet the special needs of students who, upon exiting a public or private treatment program in the Commonwealth, will return to a public school setting as well as those who will enter the work force or some other alternative program.

The original signed copy of the KECSAC MOA and attachments should be returned to the KECSAC office at Eastern Kentucky University, prior to September 15, 2014. KECSAC and University officials will affix final signatures to the documents and return a final signed MOA to the School District. The school district will not receive reimbursement until all required information is submitted to complete the MOA. A confirmation of receipt of the MOA will be sent to the school district by KECSAC. A final signed copy version will be returned to the school district after submission of completed MOA.

The local school district that contracts with KECSAC to provide educational services to SAC must provide an equal and equitable education to students in KECSAC programs. This includes equitable resources such as textbooks, teaching materials, technology materials, support and maintenance.
