Hazard, KY

Improving Teaching and Learning through Action Research

How do you conduct action research, and how is it used?

Audience:

- Teachers and other educators interested in action research.

Learn about:

- Action research and its relationship to data-based decisionmaking.
- Steps in the action research cycle.
- How to develop an action research project of your own to address specific problems of practice in your classroom/school.

Presenters:

- Dr. Patricia J. Kannapel, Alliance Coordinator, REL Appalachia
- Dr. Michael Flory, Alliance Researcher, REL Appalachia
- Ms. Abbie Combs, Educator Effectiveness Lead, Appalachia Renaissance Initiative, Kentucky Valley Educational Cooperative
