Sponsored by the Marion County Title One Program

A Message from the Superintendent

Welcome to the Marion County Public Schools Summer Dream Academy. We are very excited about all of the educational opportunities that are available for Summer learning, and we encourage the parents to examine this booklet with your child in finding a fun filled camp. Children will be active and engaged in learning activities that include field trips, extra-curricular clubs, sporting events and enrichment activities. Our plans are to build upon the Summer Dream Academy to extend this to after school activities in the future. Come join us as we work with students in helping them become Dreamers, Believers, and Achievers!

Taylora Schlosser

Summer Program Opportunities

Elementary School

- Achiever Adventures

Animals Around the World

Current K-4 Grades

GES: June 15-19

CES: June 22-26

Amy Newton, Coordinator

Glasscock (270) 692-2779 / Calvary (270) 692-3676 or

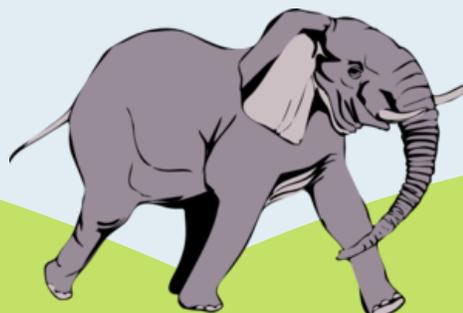

amy.newton@marion.kyschools.us

Thursday: At 1:00 pm there will be a short performance for parents. Parents and community members will have the opportunity to view classroom displays, a physical education performance, along with a small presentation of what students did throughout the week.

Friday: Students will take a field trip to the Louisville Zoo. Drop off and pick up times will vary depending on camp locations.

Students will explore many different plants and animals in reading, writing, math, science, and social studies. All content areas will be activity based and set in small groups.

Applications will be sent home to students.

Jump Start 1st Grade

Glasscock Elementary—July 13-15

Lebanon Elementary—July 21-23

West Marion Elementary—July 20-24

Glasscock, Lebanon, and West Marion Elementary Schools

Hope Rawlings, GES, (270) 692-3223 or hope.rawlings@marion.kyschools.us

McCall Thompson, LES, (270) 692-3883 or mccall.thompson@marion.kyschools.us

Gayla Kelly, WMES, (270) 699-4320 or gayla.kelly@marion.kyschools.us

Students entering first grade can come meet and greet their teachers with fun filled days at your school. During these days, students will be able to jump into learning as we have developed outdoor classrooms and activities for reading and math that will engage the students in many fun learning events. There is NO fee associated with this summer program.

Achiever Adventures!

Grades 2-5; June 8-12

Grades 6-8; June 22-26

Daniel Beams, Coordinator

(270) 699-2504 or daniel.beams@marion.kyschools.us

21st Century Community Learning Center

214 North Harrison Street

Lebanon, KY 40033

Take part in a summer camp that will lead you into dreaming, creating, and achieving your own lifelong adventures! Dive into summer waters and gain skills that any dreamer will need to become an Adventure Achiever! Grades 2-5 will visit the Kentucky Railroad Museum and Grades 6-8 will visit Mammoth Cave. Students must attend three of the five days to attend the field trip.

Summer S.L.A.M.

Grades 3-5; June 15-19

Doug Thomas, Coordinator

(270) 692-3883 or doug.thomas@marion.kyschools.us

Girls in grades 3-5 can learn the basic skills in volleyball and also life in this action packed camp at Centre Square. Students will be instructed with volleyball drills and competitions and learn basic concepts of this popular sport. Lessons from the curriculum “Girl Power” will be the focus off the court, led by teachers and program mentors. This week concludes with a field trip and each participants will receive a camp t-shirt.

The Summer of Science

Grades K-8; June 8-12, 15-18

Van Gadberry, Coordinator

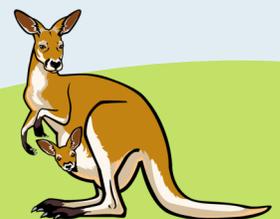

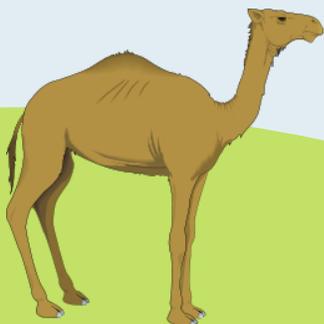

(270) 699-4320 or van.gadberry@marion.kyschools.us

West Marion Elementary School

Students will learn how science affects our lives and how they can enjoy a career in the field of science.

- Small group instruction with a certified teacher and instructional assistant
- Presenters from the community will engage students in interactive and hands on activities while learning about living things
- Small group counseling for social and emotional skills by a licensed Communicare counselor
- Fieldtrip to Kentucky Down Under to further our study of life science as a career

The learning experience will end on June 18, culminating in a performance for our students' families that morning and a fun-filled afternoon outside.

Fine Arts Dream Academy

Grades 6-12; June 15-19

Todd Farmer, Coordinator

(270) 692-3721 or todd.farmer@marion.kyschools.us

Find yourself in the Arts-infused world of performance for this week long camp. Students will specialize in the areas of theatre, dance, music, and visual arts as they receive instruction from some of the finest professionals in the state. The highlight of the week will be the final student showcase that will feature the talents of the students.

Instructors:

Dance—Meredith Garrison

Visual Arts—Charlotte Humphress

Instrumental Music—Joni Farmer

Graphic Arts—Amy Riney

Vocal Music—Jan Lanham

LMS Summer Adventure Camp

Grades 6-8; June 8-12

Dee Dee Cecconi-Smith, Coordinator

(270) 692-3441 or deedee.cecconi@marion.kyschools.us

The Lebanon Middle School Summer Adventure Camp is more than just a summer camp for LMS students. We are about making memories, fostering lifelong friendships, and creating more confident and capable young adolescents. We are a small summer camp and getting to know you is our biggest priority. Our camp is designed to challenge and nurture the youth through various physical education and sports activities. The last day of camp we are traveling to Versailles, KY to explore the Life Adventure Center/Buck Wildlife Sanctuary where the students will be given the opportunity to face their fears and zip line! You may pick up an application at any of the elementary schools or Lebanon Middle. Please apply before May 20th. Spots are filled on a first come, first serve basis.

College Craze

June 1-2

Jody Leake, Coordinator

(270) 692-6066 or jody.leake@marion.kyschools.us

Come explore your future in examining several different higher education opportunities. Students will travel to different colleges, universities, and technical schools around Kentucky to expose them to the many different options they have after graduating high school. This trip will include an overnight stay at a university.

Gifted and Talented Camp

Grades 6-8; June 16-17

Stephanie Gootee, Coordinator

stephanie.gootee@marion.kyschools.us

Students will visit the Shawnee Louisville Challenger Center for Mission, travel to the University of Louisville to visit the planetarium program, and then take a tour of the school. The bus will leave at 7:00 am and return home around 5:00 pm.

Teen Leadership

Grades 11-12; June 2

Laurie Followell, Coordinator

laurie.followell@marion.kyschools.us

Students will participate in a seminar that will assist in building leadership qualities that will prepare them for their future aspirations. Students will travel to Bowling Green, Kentucky on June 2 to shadow the W.K.U. Leadership Team, the “Spirit Masters”. While on campus students will participate in a variety of activities that will build a sense of dedication, integrity and humility in their daily life's.

ATC Summer Programs

Grades 7-8; June 8-12

Amy Riney, Coordinator

(270) 692-3155 or amy.riney@marion.kyschools.us

PLTW:

Focus: Autodesk Engineering software using Inventor and Architectural Software using REVIT. Students will be able to design their own t-shirts on the first day using computer graphic software. They will receive an introduction into the Inventor / CAD drawing programs and learn how to draw 3 dimensional objects. They will also have the opportunity to use the architectural design software to design a simple structure.

Health Science:

Health Science will be offering CPR/First Aid training to students interested in the health career pathway. Each student will learn the American Heart Association current recommended CPR for adult, child, and infant as well as First Aid procedures. Students will learn how to deal with bleeding control, fracture care, choking, and hands on chest compression. They will learn how to contact EMS and how to recognize medical emergencies.

ATC Summer Programs

Grades 7-8; June 8-12

Welding:

Students will be introduced to oxy-acetylene welding and will use the skills learned to complete some basic welding art. Students are required to wear long pants with no holes or frays and long sleeves with other personal protective equipment provided.

Automotive:

Students will cover the following topics:

- Automotive Safety
- Light Maintenance and safety checks
- Fluids and Lubricants and their functions
- Tires and tire safety
- Brake Systems
- Basic Engine Operation

Information Technology:

This course is an introduction to information technology graphical editing. Students will explore work with digital pictures, photo editing, and flash animation.

All students will have the opportunity to visit the Toyota plant in Georgetown on June 10 from 8:30—2:30 (date is subject to change).
