SUBJECT: EMERGENCY DECLARATION – Bowen ES – New Entrance Road

DATE: May 6, 2015

This is to certify an existing emergency in the procurement of: Construction of a new entrance road for Bowen ES. Time does not allow to bid the project under KDE regulations and have the project completed before the start of the 2015-16 school year. The new entrance was proposed to the City of Moorland to modify the traffic patterns at Bowen in order to keep the existing rear exit gate open. All KDE procedures for emergency declarations will be followed.
