RE: Capital Outlay Request

To Whom it may concern:

Please consider our request to use capital outlay funds for the following:

\$17,500	Sealing, striping and paving repair of all our campus parking lots
\$28,000	Purchase of 3 newer used surplus school buses from Oldham County (due to aging bus fleet, we removed 2 old buses these replaced)
\$7,581	Upgrade malfunctioning fire alarm system in our Jr/Sr High School (we currently have a delay in one portion of the building which is causing a severe safety issue, this is due to a portion of the system being antiquated, this would update that portion)
\$4,233	Replace AC Unit in Media Center credit recovery area
\$3,654	Replace light fixtures (labor only, lights we had for several months) in HS foyer and Cafeteria
<u>\$5,198</u>	Painting of Auditorium in Elementary School, HS Foyer, Stairwell and handrails, multiple courtyard doors, elementary staff restroom and its hallway.
\$66,166	Total This Request

Our Board initially voted to apply for using these funds as such at our February 24, 2015 board meeting. We have made some slight revisions and the current updated list will be approved May 18<sup>th</sup>, 2015.

Regards,

Leonard Whalen  
Superintendent, Dawson Springs Independent Schools
