The Board shall compensate Contractor for Services satisfactorily performed through the effective date of termination.

ARTICLE X  
Termination for Default

The Board may, by written notice of default to Contractor, terminate the whole or any part of this Contract, if Contractor breaches any provision of this Contract, or so fails to make progress as to endanger performance of this Contract, and in either of these circumstances, does not cure the breach or failure within a period of five (5) days after receipt of notice specifying the breach or failure. In the event of termination for default, the Board may secure the required services from another contractor. If the cost to the Board exceeds the cost of obtaining the Services under this Contract, Contractor shall pay the additional cost. The rights and remedies of the Board provided in this Article shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

ARTICLE XI  
Disputes

Any differences or disagreements arising between the Parties concerning the rights or liabilities under this Contract, or any modifying instrument entered into under Article VIII of this Contract, shall be resolved through the procedures set out in the Regulations.

ARTICLE XII  
Contractor's Work Product

Unless waived in writing by the Contract Administrator, the Board shall retain ownership in and the rights to any reports, research data, creative works, designs, recordings, graphical representations or other works of a similar nature (hereinafter "Works") produced or delivered by Contractor under this Contract. Contractor agrees that the Works are "works for hire" and Contractor assigns all right, title and interest in the Works to the Board.

Any reports, information, data, etc. given to or prepared or assembled by Contractor under this Contract shall not be made available to any individual or organization by Contractor without the prior written approval of the Board. Provided, nothing in this Article may be used to violate the provisions of any Kentucky or Federal statute or regulation which requires reporting of information.

Contract Administrator

The Board shall appoint a Contract Administrator for the purposes of daily administrative decision-making pertaining to the Contract. If Contractor and the Contract Administrator disagree on any circumstance or set of facts pertaining to the administration or execution of this Contract, the Board shall resolve the matter after notification by either the Contract Administrator or the Contractor in the manner prescribed by the Regulations. If the Board fails to give notice to Contractor of the

appointment of a Contract Administrator, the Contract Administrator shall be the Board's Chief Financial Officer.

#### ARTICLE XIV Right to Audit

The Board shall have the right to inspect and audit all accounting reports, books or records which concern the performance of the Services. Inspection shall take place during normal business hours at Contractor's place of business. Contractor shall retain all records relating to the performance of this Contract for five (5) years after the end of the term of this Contract.

Any notices or reports by one Party to the other Party under this Contract shall be made in writing, to the address shown in the first paragraph of this Contract, or to such other address as may be designated in writing by one Party to the other. IN WITNESS WHEREOF, the Parties hereto have executed this Contract to be effective as of July 28, 2015.

It is suggested that Foundations training be offered to Behavior and Discipline Leadership Teams from each campus. The Leadership Teams should consist of the School Principal or Vice Principal responsible for discipline and representatives from other members of the school community, teachers (representing grade levels or departments), and specialists, support personnel such as playground assistants, classroom aides, bus drivers, and cafeteria personnel. Each team member will report back to their groups to share information and gain ideas so the entire staff is involved in the school change process.

**Additional Considerations:**

- Video taping of sessions is not allowed without prior written permission.
- It is the responsibility of the Agency to reproduce the provided handouts for each session.
- Billing for services will occur after delivery of those services.
