Key Findings

- 60,782 links were made through the 8th month across 150 JCPS schools.
- 27,932 students have been linked with a resource to help meet a need.
- 9,672 students had 2 or more needs linked with a resource.

Cumulative Number of Students Served and Linked Made

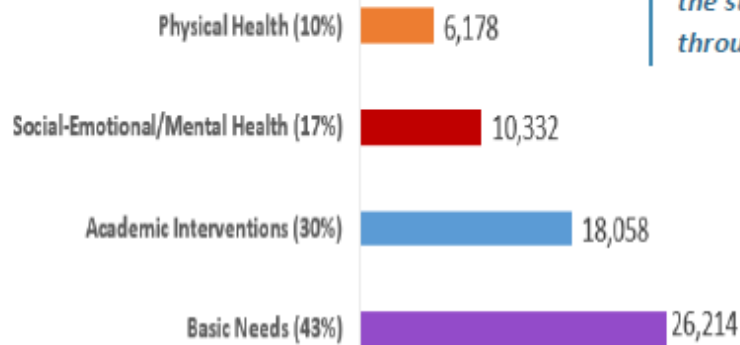

Community Partner of the Month:

**55,000
Degrees**

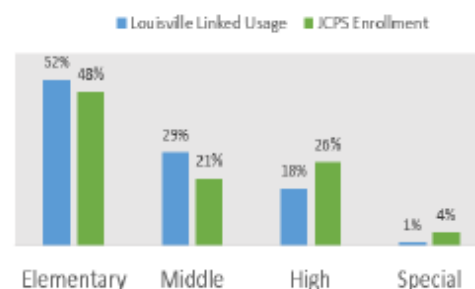

55,000 Degrees are amazing partners Louisville Linked Partners. They are always willing to do whatever it takes to assist our JCPS students in reaching their college access goals.

Number of Links by Need Type

Basic Need links still represent almost half of all links – It has remained the top category from the start of the school year through the present.

Louisville Linked Usage by Level
