

JROTC Extra Service Report
Henderson County School Board
15 June 2015

Senior Army Instructor (SAI): Colonel (COL) – Retired (R) Jeffrey C. Garrott
Army Instructor (AI): Command Sergeant Major (CSM)(R) Victor R. Rosentreter

Teams:

Rifle (10+students) - Season (all) - CSM Rosentreter - (Practice-Monday/Wednesday)
Drill (40+students) - Season (all) - COL Garrott - (Practice - Tuesday/Thursday)
Color Guard/Saber Guard (CG/SG) (20+students) - Season (all) - COL Garrott - (Practice-Tuesday/Thursday)
Adventure Training Activities, "Raiders" (40+students) - Season (Fall-Oct/Spring Mar-Jun) - CSM Rosentreter

Since the program's inception HCHS JROTC has offered the above listed extracurricular team activities as positive impact opportunities for students to be actively involved in organized after school programs. Participation is voluntary to active members of the JROTC program (150+cadets/SY14-15) who maintain varsity qualifying grades in all subjects. Teams practice throughout the school year, two days a week after school (Rifle and Raiders/Mon Wed – Drill and Color Guard/Tue Thu). In addition, informal practice sessions are held before school as required. The SAI and AI are responsible for all functions of their respective teams. Each coordinate facilities, provide necessary equipment/materials, and ensure a safe and secure environment for training/practice/event support per HCS/HCHS policies. In addition, each team competed in local, regional and national (Rifle) events this past SY. All events/competitions' occurred on weekends, with several requiring overnight stays. Each instructor brings unique skills gained from 20+years of military leadership and teambuilding to his particular team. Per the mission of JROTC (To Motivate Young People to be Better Citizens) we encourage student cadets to lead by example, seek leadership opportunities, and practice community service.

HCHS JROTC teams supported over 130 school, school board and community events during SY 14-15 to include:
