Hi Judy,

Thanks so much for your submission on this insured. They look like a very nice school account. Unfortunately I will not be a player with the rate levels that they are currently paying. My premium would be about 20% higher than their current rates. Since the incumbent is offering renewal at or near expiring I will go ahead and close the file.

Thanks again for considering Hanover, I hope you have a great remainder of the week and that the weather is as beautiful up there as it is here ☺
