Mr. Jones:

It is with deep regret that I inform you of my resignation as a math teacher from the Gallatin County School District for the 2015 – 2016 school year. I would also like to resign from all extra circular activities, which include the high school's academic team coach.

This decision was not made because of my unhappiness with the Gallatin County School District, but as a strategic career move. It has been an honor and a blessing to be part of the Gallatin County School District over the past three years.

Sincerely,

Nathan Gambrell
