

## **UPDATE A JOB DESCRIPTION, DISTRICT TECHNOLOGY RESOURCE TEACHER**

### **BACKGROUND AND RATIONALE:**

The job description for the district level technology resource teacher has not been updated since 2012 and needed to be updated to align with basic requirements of all district job descriptions regarding physical demands. Additional details of the job function was added, but basic duties and responsibilities remained the same. Preferred (but not required) education/experience of Masters or Rank 1 in education technology or related field was also added.

### **PROPOSAL:**

Update the Job Description for District Technology Resource Teacher, a position funded in the current budget. See attached Job Description.
