

## **CREATE THREE (3) NEW POSITIONS, MULTI-TIERED SYSTEM OF SUPPORT (MTSS) COORDINATOR**

### **BACKGROUND AND RATIONALE:**

Our district is required to spend 15% of IDEA funds for the 2015-16 school year on Coordinated Early Intervening Services because data indicates we have disproportionately suspended African American students. Schools need support in establishing and refining their multi-tiered systems of support in order to target gap areas.

### **PROPOSAL:**

Approve the establishment of and job description for three (3) MTSS Coordinators. The positions will report to instructional directors and provide direct support to schools.
