Mr. Leonard Whalen, Superintendent
Dawson Springs Independent School District
118 E. Arcadia Avenue
Dawson Springs, KY 42408

Re: Attorney's Fees and Expenses

Dear Leonard:

It is our privilege to represent your Board of Education. As you know, we donate our time in working with GRREC by attending the regular meetings, and in co-sponsoring and working on the School Law Conference. As a result of over 40 years of practice in this area, we believe we have developed a level of knowledge that enables us to give you and your Board advice to hopefully keep you out of litigation in these increasingly complex times.

We recognize the economic strain that all school districts continue to face. For this reason, we are not changing our fee schedule for the next school year. We will probably have to increase our rates for the 2016-2017 school year, but we are maintaining our same rates for the upcoming 2015-2016 school year.

We look forward to continuing to work with you in the future for the betterment of the children in your district.

Very truly yours,

ENGLISH, LUCAS, PRIEST & OWSLEY, LLP
