Ms. Linda Witt
Louisville Education and Employment Partnership
546 South First Street, #207
Louisville, KY 40202

Dear Ms. Witt:

For nearly 100 years, Metro United Way has been committed to bringing people together to solve community problems and that will never change. As you know, what has changed is how we help solve those problems by focusing more deeply on root causes, and we greatly value our partnerships to help reach our vision of a community whose people achieve their greatest potential through education, financial stability and healthy lives.

We've recently celebrated the final results of our 2014 annual community campaign - which continues to demonstrate the high level of trust Metro United Way enjoys in our community - raising \$27.65 million, an increase of 1.6% over the prior year (after deducting the 2013 CFC campaign dollars). However, we also experienced a growth seen nationally for donors who direct their gifts outside the community's human services network; locally, this increase was slightly more than \$750,000. Please know that we are already working on plans to increase awareness in our 2015 campaign of the benefit of undesignated dollars to support our work together.

This letter serves as notification of Metro United Way's 2014 investment in the amount of **\$90,224.01** with your organization and we thank you for your continued partnership. The attached document details the funds allocated to you; please remember that our ability to pay out the investment dollars is contingent upon our ability to collect the funds pledged. In addition, payments will be released from our account at month end, beginning July 2015 through June 2016.

A community working together for the benefit of all is at the heart of what Metro United Way represents. We all win when a child succeeds in school, when a neighborhood turns around, when families have good health and when workers have solid jobs. We're proud of all that we've been able to achieve in our long history of service, and we are excited about our community's future.

Thank you for the part that you play.

Sincerely,

Maggie Elder
Vice President of Community Building
