

UPDATE THE JOB DESCRIPTION, DIRECTOR OF ATHLETICS

BACKGROUND AND RATIONALE:

The Job Description for Director of Athletics was last updated in 2012. The job function of the Director is to provide leadership to and oversight of the district's activities and athletic programs, as well as, monitoring the rules and regulations of the Kentucky High School Athletic Association (KHSAA). Fayette County intends to transition from a part-time to a full-time position. Thus, changes are needed to the Job Description. The applicant pool for some of the district's leadership positions has been limited due to the experience requirements. To address this issue, some of the experience requirements have been revised to read "preferred" rather than "required."

PROPOSAL:

Update the Job Description for Director of Athletics. Funding for transitioning from a part-time to full-time position is realized by staff savings in other areas.
