Family and Medical Leave

REASONS

In compliance with the Family and Medical Leave Act of 1993 and under procedures developed by the Superintendent, leave shall be granted to eligible employees for the following reasons:

1. For the birth and care of an employee's newborn child or for placement of a child with the employee for adoption or foster care;
2. To care for the employee's spouse, child, or parent who has a serious health condition, as defined by federal law;
3. For an employee's own serious health condition, as defined by federal law, that makes the employee unable to perform the employee's job;
4. To address a qualifying exigency (need) defined by federal regulation arising out of the covered active duty or call to active duty involving deployment to a foreign country of the employee's spouse, son, daughter, or parent who serves in a reserve component or as an active or retired member of the Regular Armed Forces or Reserve in support of a contingency operation; and
5. To care for a service family member (spouse, son, daughter, parent or next of kin) who has incurred or aggravated a serious injury or illness in the line of duty while on active duty in the Armed Forces that has rendered or may render the family member medically unfit to perform his/her duties or to care for a covered veteran with a serious injury or illness as defined by federal regulations.

NOTICES AND DEADLINES

- Employees who may be eligible for or who request leave for any of the above reasons shall be provided an FMLA notice of eligibility and rights and responsibilities. Requests for family and medical leave should be made in writing. The District may require that a request for leave be supported by a certification for health care or military-related situations as permitted by federal law, but such requirements must be set out in the required notice.

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of District receipt of a request or the District being made aware of a potentially qualifying reason.

NOTE: Only the District's human resources professional, leave administrator, or personnel director may contact an employee's health care provider to clarify or authenticate an FML certification in support of an FML request about which there are questions. The employee's direct supervisor shall not contact the provider.

Family and Medical Leave

NOTICES AND DEADLINES (CONTINUED)

- The District shall designate an employee's leave, paid or unpaid, as FMLA-qualifying and shall provide a designation notice indicating whether the request is approved or if additional information is needed. Leave may be delayed if the employee does not provide proper notice (30 days advance notice for a foreseeable leave); otherwise, notice as soon as the need becomes known).

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of learning that an FMLA reason supports the leave.

ELIGIBILITY

Employees are eligible for up to twelve (12) workweeks of family and medical leave each school year, if they have been employed by the District for twelve (12) months, have worked at least 1,250 hours during the twelve (12) months preceding the start of the leave, and otherwise qualify for family and medical leave. When family and medical military caregiver leave is taken based on a serious illness or injury of a covered service member, an eligible employee may take up to twenty-six (26) workweeks of leave during a single twelve-month period. This provision also applies to covered service members/veterans that have been on active duty within the past five (5) years as defined by federal regulation.

Full-time teachers are presumed to have worked at least 1,250 hours during a school year. In determining whether returning veterans meet the minimum 1,250 hour standard, hours actually worked for the District during the twelve-month period are to be combined with hours they would have worked for the District had they not been called for military service.

In situations involving both the Americans with Disabilities Act (ADA) and FMLA, the District shall apply the law affording the employee the greater benefit.

RESTRICTIONS

To the extent that an employee is entitled to any paid leave, such leave shall be taken and it shall run concurrently with family and medical leave, except that the employee may request to reserve ten (10) days of sick leave. (This requirement shall not apply to employees taking workers' compensation leave.) However, when an employee's work-related injury/medical state qualifies as a serious health condition, worker's compensation leave shall run concurrently with the twelve (12) work week entitlement.

Paid leave used by the employee as required under this policy shall count, as applicable, against the twelve (12) or twenty-six (26) FMLA workweek entitlement.

Entitlement to family and medical leave for the birth and care of a newborn child or placement of a child shall expire twelve (12) months after the date of such birth or placement.

When both ~~husband and wife~~ spouses are employed by the District, the combined amount of family and medical leave for reasons other than personal illness or illness of a child shall be limited to twelve (12) workweeks. In cases of personal illness or illness of a child, each spouse is entitled to twelve (12) workweeks of family and medical leave.

Exception: The limit on the combined amount of family and medical leave shall be twenty-six (26) workweeks when both an eligible ~~husband and wife~~ spouses are employed by the District and are eligible for leave that involves a covered Armed Forces service member/veteran.

Family and Medical Leave

RESTRICTIONS (CONTINUED)

Depending on the date family and medical leave is to begin, instructional employees as designated by federal regulation may be required to continue on leave until the end of the school term to avoid disruption.

Unused family and medical leave shall not accumulate from year to year.

INTERMITTENT LEAVE/REDUCED HOURS

Family and medical leave may be taken intermittently (when medically necessary) or on a reduced hours basis.

CONTINUATION OF BENEFITS

While on family and medical leave, employees shall be entitled to all employment benefits accrued prior to the date on which the leave commenced. Health insurance for an employee on family and medical leave shall continue to be provided by the state on the same basis had the employee not taken leave. Other employment benefits and seniority shall not accrue during unpaid family and medical leave.

RETURN TO WORK

As noted by the required notice of eligibility and rights and responsibilities when family and medical leave is taken due to an employee's own serious health condition, the employee shall provide fitness-for-duty certification before returning to work. This may include certification by the health care provider that the employee is able to perform essential functions specific to the job, as noted by the District in a list attached to the certification form.

Upon return to work, the employee shall be entitled to his/her same position (or an equivalent position with equivalent pay) with corresponding benefits and other terms and conditions of employment.

GUIDELINES

Employees who believe they or any other employee, student, or visitor is being or has been subjected to harassment/discrimination shall, as soon as reasonably practicable, report it. In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation and a written report. ~~Without a report being made to the Principal, Superintendent or Title IX/Equity Coordinator, the District shall not be deemed to have received a complaint of harassment/discrimination.~~

In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

The Superintendent shall provide for the following:

The Superintendent/designee may take interim measures to protect complainants during the investigation.

2. A process to identify and implement, within five (5) working days of the submission of the written investigative report, methods to correct and prevent reoccurrence of the harassment/discrimination. If corrective action is not required, an explanation shall be included in the report.
3. A process to be developed and implemented to communicate requirements of this policy to all staff, which may include, but not be limited to the following:
 - written notice provided in publications such as handbooks, staff memoranda, and/or pamphlets;
 - postings in the same location as are documents that must be posted according to state/federal law; and/or
 - such other measures as determined by the Superintendent/designee.

Method(s) used shall provide a summary of this policy, along with information concerning how individuals can access the District's complete policy.

4. Annual training explaining prohibited behaviors and the necessity for prompt reporting of alleged harassment/discrimination; and
5. Development of alternate methods of filing complaints for individuals with disabilities and others who may need accommodation.

If a supervisory staff member is an alleged party in the harassment/discrimination complaint, provision shall be made for addressing the complaint to a higher level of authority.

Failure by employees to report, notify, and/or initiate an investigation of alleged harassment/discrimination as required by this policy or to take corrective action shall be cause for disciplinary action.

RETALIATION PROHIBITED

No one shall retaliate against an employee or student because s/he submits a grievance, assists or participates in an investigation, proceeding, or hearing regarding the charge of harassment/discrimination of an individual or because s/he has opposed language or conduct that violates this policy.

LEGAL: THE U.S. LABOR DEPARTMENT CHANGED THE FMLA REGULATION IN KEEPING WITH THE U.S. SUPREME COURT RULING IN UNITED STATES V. WINDSOR. THE NEW REGULATION USES THE "PLACE OF CELEBRATION" RULE FOR THE DEFINITION OF "SPOUSE". THIS RULE ALLOWS ALL COUPLES WHO ARE LEGALLY MARRIED IN THE PLACE OF CELEBRATION (WHETHER SAME SEX OR OPPOSITE SEX) TO QUALIFY AS SPOUSES FOR FMLA PURPOSES EVEN IF THEIR STATE OF RESIDENCE DOES NOT RECOGNIZE SAME SEX OR COMMON LAW MARRIAGES. THIS REGULATION WENT INTO EFFECT MARCH 27, 2015.

Family and Medical Leave

REASONS

In compliance with the Family and Medical Leave Act of 1993 and under procedures developed by the Superintendent, leave shall be granted to eligible employees for the following reasons:

1. For the birth and care of an employee's newborn child or for placement of a child with the employee for adoption or foster care;
2. To care for the employee's spouse, child, or parent who has a serious health condition, as defined by federal law;
3. For an employee's own serious health condition, as defined by federal law, that makes the employee unable to perform the employee's job;
4. To address a qualifying exigency (need) defined by federal regulation arising out of the covered active duty or call to active duty involving deployment to a foreign county of the employee's spouse, son, daughter, or parent who serves in a reserve component or as an active or retired member of the Regular Armed Forces or Reserve in support of a contingency operation; and
5. To care for a covered service member (spouse, son, daughter, parent or next of kin) who has incurred or aggravated a serious injury or illness in the line of duty while on active duty in the Armed Forces that has rendered or may render the family member medically unfit to perform his/her duties or to care for a covered veteran with a serious injury or illness as defined by federal regulations.

NOTICES AND DEADLINES

- Employees who may be eligible for or who request leave for any of the above reasons shall be provided an FMLA notice of eligibility and rights and responsibilities. Requests for family and medical leave entitlement should be made in writing. The District may require that a request for leave be supported by a certification for health care or military-related situations as permitted by federal law, but such requirements must be set out in the required notice.

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of District receipt of a request or the District being made aware of a potentially qualifying reason.

NOTE: Only the District's human resources professional, leave administrator, or personnel director may contact an employee's health care provider to clarify or authenticate an FML certification in support of an FML request about which there are questions. The employee's direct supervisor shall not contact the provider.

Family and Medical Leave

NOTICES AND DEADLINES (CONTINUED)

- The District shall designate an employee's leave, paid or unpaid, as FMLA-qualifying and shall provide a designation notice indicating whether the request is approved or if additional information is needed. Leave may be delayed if the employee does not provide proper notice (30 days advance notice for a foreseeable leave; otherwise, notice as soon as the need becomes known).

Deadline for Notice to be Provided: Absent extenuating circumstances, within five (5) business days of learning that an FMLA reason supports the leave.

ELIGIBILITY

Employees are eligible for up to twelve (12) workweeks of family and medical leave each school year, if they have been employed by the District for twelve (12) months, have worked at least 1,250 hours during the twelve (12) months preceding the start of the leave, and otherwise qualify for family and medical leave. When family and medical military caregiver leave is taken based on a serious illness or injury of a covered service member, an eligible employee may take up to twenty-six (26) workweeks of leave during a single twelve-month period. This provision also applies to covered service members/veterans that have been on active duty within the past five (5) years as defined by federal regulation.

In determining whether returning veterans meet the minimum 1,250 hour standard, hours actually worked for the District during the twelve-month period are to be combined with hours they would have worked for the District had they not been called for military service.

In situations involving both the Americans with Disabilities Act (ADA) and FMLA, the District shall apply the law affording the employee the greater benefit.

RESTRICTIONS

To the extent that an employee is entitled to any paid leave, such leave shall be taken and it shall run concurrently with family and medical leave, except that the employee may request to reserve ten (10) days of sick leave. (This requirement shall not apply to employees taking workers' compensation leave.) However, when an employee's work-related injury/medical state qualifies as a serious health condition, worker's compensation leave shall run concurrently with the twelve (12) workweek entitlement.

Paid leave used by the employee as required under this policy shall count, as applicable, against the twelve (12) or twenty-six (26) FMLA workweek entitlement.

Entitlement to family and medical leave for the birth and care of a newborn child or placement of a child shall expire twelve (12) months after the date of such birth or placement.

When both ~~husband and wife~~ spouses are employed by the District, the combined amount of family and medical leave for reasons other than personal illness or illness of a child shall be limited to twelve (12) workweeks. In cases of personal illness or illness of a child, each spouse is entitled to twelve (12) workweeks of family and medical leave.

Exception: The limit on the combined amount of family and medical leave shall be twenty-six (26) workweeks when both an eligible ~~husband and wife~~ spouses are employed by the District and are eligible for leave that involves a covered Armed Forces service member/veteran.

Unused family and medical leave shall not accumulate from year to year.

Health insurance for an employee on family and medical leave shall continue to be provided by the state on the same basis had the employee not taken leave. Other employment benefits and seniority shall not accrue during unpaid family and medical leave.

RETURN TO WORK

As noted by the required notice of eligibility and rights and responsibilities, when family and medical leave is taken due to an employee's own serious health condition, the employee shall provide fitness-for-duty certification before returning to work. This may include certification by the health care provider that the employee is able to perform essential functions specific to the job, as noted by the District in a list attached to the certification form.

This prohibition also applies to visitors to the school who may come into contact with employees and students. (Acts of harassment/discrimination based on sex may be committed by persons of the same or the opposite sex.)

In each school building, the Principal is the person responsible for receiving reports of harassment/discrimination at the building level. Otherwise, reports of harassment/discrimination may be made directly to the Superintendent. If an employee is not assigned to a particular school, a report of harassment/discrimination may be made to the employee's immediate supervisor or to the Superintendent. Additionally, if sexual discrimination or harassment is being alleged, reports may be made directly to the District Title IX Coordinator. Complaints of harassment/discrimination, whether verbal or written, shall lead to a documented investigation and a written report. ~~Without a report being made to the Principal, Superintendent or Title IX/Equity Coordinator, the District shall not be deemed to have received a complaint of harassment/discrimination.~~

In applicable cases, employees must report harassment/discrimination to appropriate law enforcement authorities in accordance with law.¹

The Superintendent shall provide for the following:
