

EL Program Position

Currently working with Tony Dietrich of Pendleton County Schools for the creation of a Full-time English Language (EL) Consultant/Teacher position to be contracted or employed through NKCES with an agreement between NKCES and Pendleton County Schools to be shared with a 40/60 split. The Consultant/Teacher would be 40% NKCES and 60% Pendleton County for a 2day/3day split per week. Below is a fringe work up for a full-time EL employee with total cost and detailed for each districts portion per the split.

Fringe based on 10 yrs. experience, Rank II, 185-day contract = DAILY RATE \$249.91

CERTIFIED WAGES:	\$46,232.94
MEDICARE:	670.38
RETIREMENT:	1,386.99
UNEMPLOYMENT:	500.00
WORKERS COMP:	<u>152.57</u>
SUBTOTAL:	\$48,942.87
INDIRECT COSTS:	<u>4,894.29</u>
TOTAL:	\$53,837.16

PENDLETON PORTION AT 60% \$32,302.30

NKCES PORTION AT 40% \$21,534.86

This new position would eliminate the current Part-time EL Consultant posting for NKCES. It is believed the Full-time position would be more a desirable position and easier position to fill.
