RELATED TO THE CONTRACT FOR THE
RENOVATION AT MARY TODD ELEMENTARY SCHOOL
BG 10-260

BACKGROUND AND RATIONALE: Bid documents were prepared by the architect, Murphy-Graves Architects, for a contract for renovation of Mary Todd Elementary School. The contract in the total amount of \$8,678,503.00 (GC--\$5,787,429.86; DPOs--\$2,891,073.14) with Alliance Corporation was accepted and approved by the Board in a meeting held on March 28, 2011 and construction began in June, 2011. The Office of Facility Design & Construction, the design consultants Murphy-Graves Architects, and the local building code officials have reviewed the progress of the work. Minor changes to the original plans and specifications have been necessary in order to: resolve unforeseen existing conflicts found during construction; comply with building code requirements; correct deficiencies in the plans; or to provide improvements over the original specification. The Board has approved the BG-4 in the amount of \$8,857,501.73 at its meeting held April 27, 2015. The residual fund balance will be applied to the next District Facility Plan project. At this time the BG-5 Project Closeout Form closing out all construction contracts related to this project is presented for approval.
