Subject: Re: hcs-Agenda items due September 15th

Robin. I have two grants for the consent agenda. North middle school with their four elementary feeder schools seek approval to apply for the "Learn and Launch" grant from KDE. Each school will receive \$15,000 to use for implementation of Global Competency and World Language for the 2016-17 school year.

The second application is the same but for South Middle and their feeder schools

Thanks
