| WHEELER ELEM  | U OF L SPEED SCHOOL-RAYTHEON MATH DAY EVENT | 10/17/2015          | FISHER BUSES          | Students who participate in the Wheeler after-school engineering program (20 students) have been invited by Dr. Gary Rivoli and the U of L Speed School to attend Raytheon Math Day at the Speed School on Saturday, October 17th. The trip was originally planned for Ramsey Middle School and U of L has now extended the invite to Wheeler students. They are using Fisher Buses to pick up students at Ramsey and they are willing to pick up students at Wheeler. The field trip has been approved for Ramsey. |
