

**Curriculum, Instruction, and Assessment  
Board Agenda  
Wednesday, October 28, 2014**

**PROFESSIONAL DEVELOPMENT**

- We had our KASC Data Day on Tuesday, October 27 from 9:00 – 12:00. This year we had two teachers from each building attend the data day.
- For our first PD day in November, a focus will be on analyzing KPREP data and we are ironing out other specifics for that day.

**ASSESSMENT**

- Upcoming Assessments in the district
  - LES – KPREP Scrimmage Testing this week and next
  - LES – AIMSweb benchmarking reading and math beginning November 30
  - LES – MAP Assessment begins November 30
  - DHS – EOC benchmarks over the next few weeks
  - DHS – KYOTE Dec 3; COMPASS Dec 4
  - DHS – Mid Term Exams Dec 16, 17, 18

**CURRICULUM/INSTRUCTION**

- All staff members have entered their Self-Reflection, PGP's, and Student Growth Goals into CIITS.
- We are in the middle of Student Growth Goal discussions with teachers to approve their Student Growth Goals.

**NEW TEACHERS**

- During our third New Teacher Meeting, we focused on student engagement. Teachers read an article on student engagement and as a group we discussed what student engagement was. For two of our three meetings this school year, we have had experienced teachers of Dayton Schools attend the new teacher meetings and offer their insight and input.
