Dear Randy,

Thank you for hosting another outstanding regional meeting for the members of the KSBA Northern Kentucky Region on Tuesday, October 20th at Receptions in Erlanger.

Receptions is an impressive facility and proved to be a perfect setting for our event. It was obvious to me that you and the staff excelled in the time and effort that was put into making this meeting a success for all board members and superintendents in attendance. And please pass along a special thanks to both Todd Moody and Tim Kennedy for their efforts with the Conner Middle School Jazz Band. How impressive! Boone County set a very high standard for the KSBA Northern Kentucky Region. My observation is that these high standards likewise play into the success exhibited there in the Boone County School System.

Randy, we are truly thankful of Karen's service as regional chair on the KSBA Board of Directors. Your continued support of Karen in this special role is most appreciated.

As has become very obvious to me, these meetings provide board members and superintendents with unique opportunities to not only hear about important education topics, but more importantly to enjoy the fellowship of one another's company. We couldn't provide this experience without your local support. Thank you for your dedication to the students of Boone County and to KSBA. I look forward to seeing you at the Winter Symposium in Louisville on December 4<sup>th</sup> and 5<sup>th</sup>. Please let me know if I can ever be of assistance to you and thanks again for your outstanding hospitality.

Sincerely,

Mike Armstrong, Executive Director  
Kentucky School Boards Association
