Name: _____

I can compare and contrast the comic strip and movie of The Peanuts.

How they are
alike

A Venn diagram consisting of two large overlapping circles. The left circle contains a small rectangular box at the top and ten vertical lines below it. The right circle also contains a small rectangular box at the top and ten vertical lines below it. The overlapping area in the center contains ten vertical lines. An arrow points from the text 'How they are alike' to the central overlapping area.

I can draw my favorite character from the movie using cartooning.

I can describe the music used in the movie.
