Multiple Child Discount, Other,
(please specify)
Employee Benefit – Section 3326 of the OCS Policy Handbook states the following: All OCS full-time employees are eligible to receive a 25% tuition discount for their children who attend Owensboro Catholic Schools. This discount is calculated after tuition assistance (if applicable) has been subtracted

from the total amount of tuition owed. The discount will also be granted to the following: 1. Full-time employees of the 15 sponsoring parishes whose children attend Owensboro Catholic schools. 2. Full-time employees who work at the Diocese of Owensboro Catholic Pastoral Center whose children attend Owensboro Catholic Schools. 3. Full-time Cafeteria Staff (employees of the Diocese of Owensboro) who work in an OCS cafeteria whose children attend Owensboro Catholic Schools.

Financial Aid – The OCS Tuition Assistance Policy states the following: Owensboro Catholic Schools is committed to providing a quality faith-based education at an affordable cost. OCS understands that many families simply cannot make a commitment to pay the full cost of tuition. A needs-based tuition assistance program has been established to address the unique circumstances of each family. Families who seek need-based-tuition assistance are required to complete a Student Aid Form supplied to OCS families by the Private School Aid Service (PSAS). PSAS provides the expertise to objectively and equitably administer the aid program. Based on an analysis information provided by the family, PSAS will suggest a need-based award amount. Following a review by the OCS Tuition Assistance Committee, a letter detailing the aid amount and net tuition charge will be mailed from the OCS Business Office. All financial information will be kept in the strictest of confidence.

Multiple Child Discount – Section 3300 of the OCS Policy Handbook, details the OCS Tuition Policy. Section 3310 states the following: For Parish Sponsored families, the following will occur: 1. A graduated parental tuition scale based on family size will be implemented. 2. Parental tuition will be waived after the third child when a family has four or more students enrolled in OCS in the current year.

Full Tuition Payment by July 15 – The OCS Tuition Policy states the following: Full Payment Tuition Plan – Under this plan, the entire amount of net tuition, less a 3% discount must be paid on or before July 15. The payment is made directly to the OCS Business Office. Families who make a Full Payment after July 15 will not receive the 3% discount.

Diocesan Aid for Catholic HS Students – Each year we are asked to nominate high school students to receive tuition assistance from an Endowment set up with the Diocese of Owensboro to assist needy high school students. Section 17 of the OCS Tuition Assistance Policy outlines the process utilized to award these dollars: Each year the Diocese of Owensboro may ask OCS/OCHS for nominations to receive need based aid from the Diocesan Aid for Catholic High School Students. Once the letter arrives announcing the award amount to be provided to families whose students attend Owensboro Catholic High School, the OCS Director or his designee will provide a list of high school students whose families have met the requirements noted below. The committee will nominate candidates for the Diocesan Aid for Catholic High School Students. The suggested award amount,

2015 KHSAA Financial Aid Report

once added to the family's tuition assistance award from OCS, cannot be larger than the need as assessed by PSAS. Once the check arrives from the Diocese, a revised Tuition Assistance Award will be mailed to the family of the recipients. The following restrictions are placed on the nomination by the Diocese: A. The amount each Catholic high school in the Diocese is to receive is based on the enrollment as reported on the first official monthly attendance of the previous year. B. Some financial aid from this fund may be available each year. However, the amount may vary dependent upon the distribution from the trust and other entities (e.g. stock market, etc.). C. The amount allocated to each high school must be used for student(s) who have proven need, D. The completed diocesan forms for the student(s) selected for this financial aid (or other means of supplying aid) must be sent to the Diocesan Catholic Schools Office before the check for the specific amount will be sent directly to the Catholic high school. Class of 1964 Fund – In 2014-2015, OCHS received a donation from the Class of 1964 to be utilized as tuition assistance to help needy families with students at Owensboro Catholic High School. Section 18 of the OCS Tuition Assistance Policy states the following: Periodically, donors provide resources they want to be utilized to help families in need. Please note the following: A. By IRS regulation, a donor cannot restrict the gift to pay the tuition of or provide tuition assistance to a specific family or student. B. When accepting the donation for need based tuition assistance, any/all awarding restrictions should be noted in writing and signed off by both the donor and the representative of Owensboro Catholic Schools. C. Utilizing these restrictions, the Director or his designee will provide a list of families who might benefit from the restricted donation to the Tuition Assistance Committee for review and approval. The suggested award amount, once added to the family's tuition assistance award from OCS, cannot be larger than the need as assessed by PSAS. Once the committee has agreed on the recipient(s), a letter will be mailed to the recipient(s).
