

November 20, 2015

Dear Jay, Staff and Friends:

Thank you for continuing to make a difference in the lives of the children that you mentor every day.

My pen ran out of ink the other day. So I thought yours probably did too. Thus, the new supply is enclosed.

Best regards,

A handwritten signature in blue ink that reads "Hank". The signature is written in a cursive style with a large, stylized 'H' and a trailing flourish.
