MEMORANDUM OF UNDERSTANDING

11-13-15
Date

To Whom It May Concern;

The mission of Kentucky Cooperative Extension is to make a difference in the lives of Kentucky citizens through research-based education.

The University of Kentucky Nutrition Education Program offers free nutrition education to limited resource audiences in Marion County County. The key messages provided include;

- Make half your plate fruits and vegetables
- Make half your grains whole grains
- Switch to fat-free or low-fat milk
- Drink water instead of sugary drinks
- Practice good food safety behaviors
- Stretch your food dollars
- Be more physically active
