Sharyl E. Iden MEd, RN  
3291 McCowan Dr  
Taylor Mill, KY 41015-4436

Dear Sharyl,

I am pleased to appoint you to the National Association of School Nurse's (NASN) Informatics Advisory Committee. You have been asked to serve on this committee because of your national expertise and commitment to nursing informatics. Your term will begin immediately and end December 31, 2017 with the possibility of reappointment at that time.

The purpose of this advisory committee is to provide expert guidance to NASN's Director of Research related to the direction of informatics activities at NASN. This includes representing school nursing on appropriate Big Data/informatics committees, participating in developing a plan for school nursing documentation, and providing suggestions and feedback on and informatics materials.

On behalf of the NASN's Board of Directors, I thank you for your willingness to serve in this capacity. We appreciate your time and dedication to school nursing and the health of our nation's school children.

Sincerely,

Beth Matthey MSN, RN, NCSN  
President
