Strategy 4:

Conceptual Building Blocks - The CBB Academy provides a deep study of the Kentucky Core Academic Standards (KCAS) of mathematics with a focus on the Standards for Mathematical Practice and Vertical Progressions. Each school team will experience and learn strategies that will deepen their content knowledge and pedagogy. There are three modules: addition/subtraction (2 days), multiplication/division (2 days), and fractions (2 days). An additional 1 day of training for each school's team coach will offer strategies for coaching teachers and sustaining the work to maximize the impact on student achievement. The modules were developed to support teachers in meeting the needs of all students with a focus on struggling math learners.

Category: Learning Systems

Activity - Conceptual Building Blocks	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
ERF training on the types of activities teachers can engage students in to deepen learners understanding of math concepts.	Academic Support Program	11/13/2015	02/26/2016	\$0	No Funding Required	Administration CBB Team, GRREC

Goal 2: Gap Goal - Increase the average combined reading and math proficiency ratings for all students in the non-duplicated gap group from 42.2% to 71% in 2019 as measured by KPREP

assessment data.

Measurable Objective 1:

demonstrate a proficiency by increasing the average combined reading and math proficiency ratings in the non-duplicated gap group from 39.6% to 48.6% by 05/13/2016 as measured by KPREP state assessment results.

Strategy 1:

Assessment Data Analysis - All certified teachers will be involved in data analysis of class/school assessments.

Category: Continuous Improvement

Activity - Collaboration time to analyze data	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teams of regular, special education and RTI teachers will meet before, during and after units of study, utilizing the data team process, to analyze student achievement and determine intervention steps	Academic Support Program	08/05/2015	06/30/2016	\$0	No Funding Required	Administration Teachers

Activity - Flexible grouping of students	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Teachers will utilize data analysis to flexibly group students based upon areas of need for specialized instruction.	Academic Support Program	08/05/2015	04/29/2016	\$0	No Funding Required	Teachers

Activity - Staff training	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Staff will receive training and support on the use of screeners and teaching strategies to address students' needs based on data analysis of assessments.	Academic Support Program	01/04/2016	04/29/2016	\$0	No Funding Required	Administration

Activity - Student data folder	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Grade-level PLC/Teachers will maintain a data folder with assessment analysis and student progress monitoring data.	Academic Support Program	08/05/2015	05/13/2016	\$0	No Funding Required	Teachers
