

DAYTON INDEPENDENT SCHOOLS

Welcome to the Dayton Schools Family,

On behalf of the staff and community of Dayton I want to welcome you to Dayton Independent Schools. Dayton Independent Schools has a strong tradition of serving the community of Dayton since 1871. We consider it an honor and privilege to work with you.

The mission of Dayton Independent Schools is to **Inspire, Engage,** and **Grow** each of our Students. We are proud that we focus on each student and their particular needs and aspirations. We know that we must work together to move each student towards the ultimate goal of graduation and being Career and College Ready. We also recognize that beyond these goals, being “life ready” also matters.

Your role as a parenting partner is key to your child’s success. It is important that two things happen to **GROW** each child. First, each child needs a responsive, consistent, and loving relationship with an adult. All children need and deserve a strong parent mentor. Second, each child needs a learning environment that is student centered, engaging, and a “doorway” to understanding. Remember that consistency, predictability, sensitivity, and high expectations are the keys to the successful development of a child. We must work together as a **TEAM to GROW** your child.

If at any time you have questions that I can help answer or assist in moving your child forward, please do not hesitate to call (859-491-6565).

Your partner in education,

Jay Brewer
Superintendent of Dayton Independent Schools
