*** Principal Services** Please describe the principal services provided by your organization.

Todd County Adult Education provides classes and tutoring services to prepare students to take their GED, and enter college or employment. TCAE prepares students for their GED test using direct instruction in our classes and distant learning products like KET's Fast Forward. Classes and tutoring are also provided for students needing assistance in improving their skills for employment. We give the NCRC test resulting in a National Career Readiness Test, which many employers prefer or require for employment. TCAE provides assistance to students who need to prepare for the NCRC test by using the online WIN program. This is an online program that helps to remediate skills and prepare students for college and career. Assistance is provided for students who wish to enter college by providing financial and admission counseling. If a student needs assistance in improving their skills to enter college, we provide
