January Board Report

Daycare: We are in the process of reviewing our food service procedures, specifically with billing and our daycare license. We currently are servicing 5 kids under 2 years and 10 over 2 years.

Preschool: We are in the 6th week of our "Book of the Week" program. We have given out over 600 books to our Dayton Preschool Students. Last Friday was our last screening until the end of the year. We have another screening in May to prepare children to start in the fall.

Special Education: December 1 count was submitted. Below is our longitudinal data. Our count was down for this year. Multiple factors go in to the reduction we are demonstrating this year;

- Change in evaluation practices and intervention requirements for Developmental Delays
- New, updated assessments were purchased
- Several withdraws
