Mr. Jay Brewer, Superintendent  
200 Clay Street  
Dayton, Kentucky 41074

Dear Mr. Brewer:

I want to take this opportunity to acknowledge receipt of your recent email and the attached letter addressing the challenges of the Dayton Independent School District. It is very important that me that I am aware of the concerns of the citizens I represent so that I can be your effective voice in Frankfort. Education is an important concern as we approach this budget session. I understand the many challenges you mentioned in your letter and they are ones that have caused our educational system problems for many years. As we go through this legislative session I will be mindful of your comments and will continue to work toward making our educational system one that will make all Kentuckians proud.

I look forward to my work here in Frankfort and being the voice of the citizens of Campbell County. Please do not hesitate to contact me if you have any other issues with which I may be of assistance.

Sincerely,

A handwritten signature in dark ink that reads "Dennis Keene". The signature is fluid and cursive, with the first name "Dennis" and last name "Keene" clearly distinguishable.

Dennis Keene
