Board Report

- All math teachers participated in a Math Design Collaborative (MDC) training on Friday, January 15.
- We have had 3 trainings on program review during early release meetings thus far. We are hoping our increased transparency increases our program review scores.
- We have begun intentional CCR study sessions with seniors who are not yet college ready. We are paying staff members to work with individual students during their plan bells. Last year these efforts produced immediate results.
- Our new registrar, Lisa Hans, started on January 4.
- Our new business teacher, Kathy Stewart, began on January 15.
- Juniors took a practice ACT/CERT test on January 26 to prepare for the real ACT test in March.
- Honor roll lunches were held January 25 and January 26.
- Student of the month luncheon will be held on January 29.

CERT Data Below
