Julian Tackett
Kentucky High School Athletic Association
2280 Executive Drive
Lexington, KY 40505

Julian,

Thank you most sincerely for your support of the 2016 Sports Officiating Summit – **Officiating in the Future Tense: Change Mindsets, Build Intelligence**. This will be NASO's 34th annual gathering.

The support from Kentucky High School Athletic Association and so many others is vital in permitting us to carry on with this important event and with the development of better training materials and educational programs to help improve officiating performance.

Our industry has just one national meeting a year. That meeting needs to have discernible and lasting value. The Sports Officiating Summit is fulfilling that requirement. NASO is committed to serve as the facilitating organization for this important gathering and in 2016 Kentucky High School Athletic Association will be a proud partner.

We look forward to having you with us in San Antonio in July.

Again, a very sincere thank-you!

Sincerely,

Barry Mano
President
