

Darren,

You asked me to find out how the at-Large divers from the Northern Ky and Lexington centered regions fared in 2014 and 2015.

Since you can consider only 12 divers from each region, all of the divers would be able to do their 11 dives at regions and the scores would rank them into the 22 at large positions.

Looking only at the scoring heats in the 2014 State Championships:

Region Four (Northern KY)

There were a full 12, 2 automatics and 10 at Large divers eligible.
Scoring, in the girls, were the two Automatics and six at large divers
Five at Large divers scored in the Consolation final (9-16th)
Two Automatics and one at large Scored in Championship final (1-8th)
Scoring in the boys, were the two Automatics and six at large divers
Three at Large divers scored in the Consolation final (9-16th)
Two Automatics and three at large Scored in Championship final (1-8th)

Region Five (centered in Lexington)

There were a full 12, 2 automatics and 10 at Large divers eligible.
Scoring, in the girls, were the one Automatic
There were no divers scoring in the Consolation final (9-16th)
One Automatics scored in Championship final (1-8th)
Scoring in the boys, were the one Automatic
There was one Automatic scoring in the Consolation final (9-16th)
There were no divers scoring in Championship final (1-8th)

Looking only at the scoring heats in the 2015 State Championships

Region Four (Northern KY)

There were a full 12, 2 automatics and 10 at Large divers eligible.
Scoring, in the girls, were the two Automatics and three at large divers
One at Large divers scored in the Consolation final (9-16th)
Two Automatics and two at large scored in Championship final (1-8th)
