### **FIRST-AID ROOM**

A first-aid area with appropriate equipment, supplies and provisions for the child to recline shall be designated in each school. At least two (2) adult employees in each school, at least one (1) of whom shall be present at the school at all times during school hours, shall have completed and been certified in a standard first aid course that includes CPR for infants and children.

The District shall have employees trained in accordance with the law to administer or help administer emergency medications.

When enrolled students, for whom documentation under KRS 158.838 has been provided to the school, are present during school hours or as participants in school-related activities, a school employee who has been appropriately trained to administer or assist with the self-administration of glucagon, insulin, or seizure rescue medications shall be present.

### **INFORMATION NEEDED**

A number at which parents can be reached and the name of the family physician shall be maintained at each school for all its pupils.<sup>1</sup> Parents will be notified in the event of an accident.

### **EMERGENCY PROCEDURES**

Each Principal shall develop a procedure for handling medical emergencies.

When an emergency arises and the student's parent/guardian or designee cannot be reached in a timely manner, the school will take action necessary to maintain the student's health, such as calling emergency medical personnel or taking the student to a health care facility. In such instances, school personnel shall notify health professionals of any medications that they are aware the student is taking.
