

You're invited to participate in the **DRC|CTB Adult Education 2016 Winter Field Test**

Recent changes in the Adult Education landscape have put a lot of pressure on educators across the country. Your ability to track your students' progress according to new requirements is critical to their future success, and to the health of your education program. DRC|CTB is investing in the future of Adult Education, and as part of that work we invite you to participate in a national field test for TABE®.

Participating sites will have the opportunity to view potential new items and to try the DRC INSIGHT™ technology platform. Participating students will experience test items written to the new College and Career Readiness Standards for Adult Education at their educational level. Both your program and your students have the opportunity to make some extra money!

DRC|CTB Adult Education 2016 Winter Field Test Details:

- Testing window: **February 15–April 15, 2016**
- Subjects: **Reading, Language, and Math**
- Randomly assigned and will range from **3–8 hours** for each content area
- Formats: **both online and paper/pencil***

**Test-takers will need the use of a computer with Internet access.*

Participant Incentives:

Participating students have an opportunity to earn from **\$50-\$250** in the form of a VISA® gift card. Their incentive is determined by the number for content areas taken and the length of the forms assigned. *An extra bonus will be paid to students who complete all three content areas.*

Testing sites will earn \$15 per participating student, in recognition of your time and effort to recruit test-takers and proctor the tests. *In addition, you can earn up to \$200 in bonuses for managing the secure test materials and testing 85% of your enrolled students.*
