Answer Choices	Responses
I prefer an earlier start date and an earlier completion date in the school calendar. Example: start date in late July or early August, end date middle to late May (depending upon weather).	54.09% 86
I prefer a later start date and a later end date in the school calendar. Example: start in the middle or late August and end last of May early June (depending upon weather).	45.91% 73
