

Todd County Schools'
Belief Statements and Vision

DRAFT

January 2008

Belief Statements

- We believe that all students in partnership with parents, community and educators can reach proficiency in every area of education when provided a safe and nurturing environment.
- We believe high expectations for students and staff are essential for high levels of performance both academically and socially.
- We believe all students, staff and parents should be provided recognition for positive successes.
- We believe learning should be relevant, exciting and engaging for all students.
- We believe all students should be provided appropriate interventions or enrichment that enable them to reach their highest potential in academics and extra-curricular activities.

Vision

- Todd County Schools strive to be a district of excellence with our schools, staff and students receiving regional, state and national recognition.

Mission

- The mission of Todd County Schools is **Teaching**, **Caring**, and **Serving** **Teaching** all students from a rigorous and aligned curriculum **Caring** by building positive mentoring relationships with all students **Serving** by using varied, research-based instructional strategies that make learning relevant to the needs of our students and the community
