Re: **Instructional Time Adjustment for Elementary Schools for the 2016-2017 School Year**

After consultation with the administrations at the following listed elementary schools, I am requesting approval for the adjustment in the daily instructional time at these elementary schools for the reasons as outlined in the attached letters from each school's principal.

Increasing the instructional day at each of the elementary schools will allow for more instructional time to be provided to the students during the school day. However, each of the elementary schools will continue to be governed by the 2016-2017 School Year Calendar adopted by the Board of Education.

The elementary schools requesting this extension in their school days for the 2016-2017 school year are:
