

Charitable Funding Application for 6th-8th After School Programs

Charitable funding is reviewed quarterly in March, June, September, and December. Funds are limited and we may have to limit the dollar amount in order to fulfill applications. Due to the volume of requests, you will only be notified if your request has been approved or if we have additional questions.

Has your school ever applied or received funds from JJWF before? (Please check with A.D. or Principal)

No ☒

How is your program currently being funded? *

Please upload the previous two years' budget showing amount allocated and expenses paid for the after school athletics (preferably separated by sport). If your program does not have a budget, please submit a letter stating that with all pertinent information (i.e. only busing and officials are paid for and uniforms are handed down from HS). This letter must be signed by the A.D. or principal and on school letterhead:

Attach Year 1 Budget:

What is the athletic fee to participate in your after-school sport/program? *

\$

Please attach all vendor quotes or estimates and fill in the total funds requested below.

If your application is approved in full or in part, the JJWF will send a letter to you (the applicant) congratulating you and detailing what was approved. We will also send to you, for each vendor, a letter for the vendor and a check payable to the vendor. Everything is then mailed to your attention and it is then your responsibility to place the orders and distribute the vendor letters and checks to their respective vendors to complete the orders.

All quotes for uniforms MUST include sizes, quantities, and a line stating the cost, if any, to put your school name on front, numbers on front and back, and the JJWF logo on the uniforms (have vendor contact us at fundingrequest@jjwfoundation.org for our logo if they don't already have it on file), along with any S/H fees. If the logo will be put on the uniforms at no cost, please ask the vendor to indicate that on the quote. Please also review and verify that each quote total is carried over and matches the final total, as well as the requested amount you have entered on the application.

\$6,006.00

Please describe for each sport you are requesting funds: your program needs, age/state of your current uniforms and/or equipment, and how many participants you had last year and expect this year. (1000 character limit)

Lebanon Middle School is located in a small rural community in central Kentucky. The school currently has an enrollment of 422 students in grades 6-8. Cheerleading is one sport that is available for girls and boys. This past year there were 20 participants and the same number is expected for next year. The team has previously been a non-competitive team, but this year transitioned into a competitive team to expand opportunities. Since the formation of this new team, safety equipment, particularly safety mats, have not been available. The safety of our participants is top priority and the absence of safety mats has put major limitations on our newly formed team's ability to practice the stunts that will allow us to be competitive in our region. Our team has participated in multiple fundraising projects, but these have not produced enough funds to purchase the mats. Funds have been used to pay for uniforms and to cover costs that some of our participants were unable to pay.

Items considered to be a critical component for the students to participate in the activities include:

- Uniforms with school name, numbers, & JJWF logo. These cannot be personalized with student names.
- Safety equipment like helmets, pads, and wrestling or cheerleading mats.
- Balls, bats, nets, and other equipment vital to the sport.
- Reasonable storage equipment. For example, we will not fund ball carts, as mesh bags would serve an equal purpose.

Items not considered to be a critical component:

- Video recorders, electronic timing equipment, electronic scoreboards, and most other electronic equipment.
- Warm-ups, socks, mouth guards, and other non-essential or non-reusable clothing.

- Student duffie bags, automatic ball returns, weight room equipment, and other non-essential or non-reusable equipment.
- Coaching fees, transportation, fields, gyms, and storage locations.
- Equipment that will be used by students in P.E. or outside of 6th - 8th grades.

DISCLAIMER: If your application is accepted in part or full, the JJWF does not provide any staffing, transportation, insurance, etc. We only provide the funding for equipment and/or uniforms to help you to provide your program to the students. By signing this application, you are confirming the school has the necessary staff, fields and/or gyms (or funds if renting), and transportation (if necessary), as well as the funds necessary to sustain the program once provided the donation from the JJWF. You also confirm you have a secure place to store the equipment and/or uniforms being donated.

JJWF is a 501(c) 3 Tax ID #27-3516574

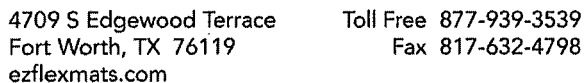

☐ I have received the necessary approval from the school and/or district, if applicable, and therefore give my permission to place the following JJWF logo on the uniforms. The logo may be printed in one color to match the school uniforms.

I represent that all the information provided in this application is true and accurate to the best of my knowledge, as of . I furthermore represent that I have the authority of my institution to provide this information and to establish and/or operate the program(s) identified above.

☐ I agree
