From: Child Nutrition Department

Regarding: Breakfast/Lunch Prices

The following breakfast and lunch prices are recommended for the 2016-2017 school year.

Student Breakfast	-	\$1.50
Student Lunch	-	\$2.25 (Elem/Middle)
		\$2.50 (High School)
Adult Breakfast -	-	\$2.25
Adult Lunch	-	\$3.50

At the current breakfast charge of \$1.00 and lunch charge of \$1.85 the district is losing money. When meeting all the federal guidelines on providing breakfast and lunch and given the increased cost of food along with staff cost to prep and serve the meals, we are spending more than we are charging to provide the meals.

The recommended prices are in alignment with other districts that have raised their prices due to the same demands on meeting federal guidelines and increased food prices.
