Dayton Independent School District

Superintendent Jay Brewer,

Thank you for your district's continued support of the Northern Kentucky Cooperative for Educational Services. The partnership between NKCES and Northern Kentucky School Districts is one striving to provide high quality services benefiting administrators, teachers, students and communities.

Enclosed are documents to be completed for the 2016-2017 school year. First, all of the documents related to the required Inter-local Agreement need to be completed and approved by your Board of Education. In addition, the Alternative Representative Designation form is included for your consideration.

Secondly, district membership invoices are included for approval and payment. In addition to membership dues are the costs of all previously committed services to be provided during the 2016-2017 school year.

If you have any questions regarding any of the enclosures, please contact Patti Dischar (859-442-8600) at NKCES. Once again, thank you for your support.

Respectfully,

Amy Razor, Executive Director NKCES
