

CTE MAKEOVER CHALLENGE

AUTHORIZATION FORM

The Career and Technical Education (CTE) Makeover Challenge calls upon eligible schools to design models of makerspaces that strengthen career and technical skills through making.

The U.S. Department of Education (ED) is seeking models of makerspaces across a wide range of facility types, such as classrooms, libraries, and mobile spaces, that it can share with educators to encourage the creation of affordable, scalable, and replicable makerspaces. More information can be found at www.ctemakeoverchallenge.com.

I support Marion Co. High School (Name of School)'s submission to the CTE Makeover Challenge.

I attest that Marion Co. High School (Name of School) is eligible for Carl D. Perkins funding.

The Career and Technical Education (CTE) Makeover Challenge calls upon eligible schools to design models of makerspaces that strengthen career and technical skills through making.

Eligible entrants who complete the First Round Submission will be invited to participate in the CTE Makeover Bootcamp. During the Bootcamp, schools will have access to resources that will help them improve and expand upon their proposed makerspace concepts.

The deadline for First Round Submissions closes at 11:59:59 PM ET on April 1, 2016. Please submit at least one hour before the deadline to ensure your completed submission is received. Once the form is submitted, it may take a few minutes to load into our system. Please do not reload the form or exit the browser until you see a message confirming that we have received your submission.

This form is best viewed using Chrome, Firefox, or Internet Explorer 10 or higher. If you encounter any issues, please email hello@ctemakeoverchallenge.com with a description of the problem, a screen shot (if possible), and the date and time of the occurrence.
