5th Grade students will be hosting our annual “Walk Through America – A Living History Museum” on Friday, April 29. Students will be dressed in period costumes to represent key historical figures from throughout the history of the United States. Please bring your classes by to see Ruby Bridges, Daniel Boone, Anne Frank, and many more.

This year groups of students are presenting skits representing different events in U.S. History. The group topics are listed below:

Inventors

Underground Railroad

Cumberland Gap

The Story of Ruby Bridges

Roaring Twenties

The Mayflower Voyage

The Moon Landing

The museum will take place in the **gymnasium**. Students will experience live reenactments of the events listed above, along with dancing and singing. When you arrive just spread your classes out throughout the gym. Please arrive on time and depart on time, so that each grade level will have a chance to visit. Each grade level has been assigned a time slot. I tried to avoid lunch, OPA, and specials. If you have any questions or conflicts, please let me know ASAP so that I may make adjustments, if needed.

Thanks,
Tami Clayton
