College and Career Readiness

Nelson County Board of Education - April 2016 CCR Update

Perkins Grant Application 2016 - 2017

- Funds Agriculture and Business Education Programs at Nelson County and Thomas Nelson High Schools
- Approximate amount of grant is \$ 20,450.00
- These funds purchase curricula, curriculum materials, small appliances, some tools, etc...
- In 2017 - 2018 Family and Consumer Science will join Agriculture and Business as an additional career pathway to meet the diverse needs of our student population.

Nelson County Board of Education - April 2016 CCR Update

AdvanceKY Program

- Requires a three year commitment 2016 – 2019
- Will provide curriculum, resources and professional learning experiences for teachers in grades 3 – 12
- Laying the Foundation Professional Learning will be held July 12 – 15, 2016 at Henry Clay High School in Lexington. Each school will send a Reading/ELA, Mathematics and Science Teacher in grades 3 – 8. These same teachers will attend additional training sessions in 2017 and 2018.
- Advanced Placement Professional Learning for High School Teachers will occur on various dates throughout the Summer of 2016, 2017, and 2018
