**TOPIC: Approval to Move Carter G. Woodson Program to New High School**

**PREPARED BY: Myron Thompson**

**Recommended Action on: 5/23/2016**

**Action Item for Vote (REGULAR MEETING)**

**Superintendent Prior Approval: No**

**Recommendation/Motion: Approve moving the Carter G. Woodson program from Crawford Middle School to its permanent home in the New High School on Winchester Rd.**

**Background/Rationale:** The Carter G. Woodson program, originally housed in Crawford Middle School, is a 6-12 grade program. The original program design had students spending 100% of their classroom time in program classes from grades 6-9, after that the program discussion was that students would mainstream into high school classes. When architect selection was made for the new high school design consultants were instructed to include Carter G. Woodson into the design process. Administrators were included in design development meetings in order to incorporate instructional and administrative programs from Carter G. Woodson. When the school opens in the fall of 2017, plans call for Carter G. Woodson to move into their wing of the facility. This will formalize that process.

**Policy: Board Policy 01.11 Powers and Duties of the Board**

**Fiscal Impact: None. Carter G. Woodson was calculated in the original capacity of the facility.**
