Dear Mr. Hayes;

We are in receipt of your Notice of Award dated April 25, 2016 and the related Kentucky Department of Education AIA Document A101 – 2007 for the referenced project with the Boone County Board of Education.

We discussed our bid errors with you prior to your issuing the contract and subsequently we have discovered additional errors in our bid. Based on the substantial errors we have discovered we are not going to accept the contract for this project.

We have provided a five percent (5%) Bid Bond as required and based on our contract of \$1,176,751 the amount of the Bid Bond would be \$58,837.55. If it is anymore expedient for the Board of Education we will provide a Peck Hannaford + Briggs check in that amount as soon as you request it. If that is not acceptable we have been in contact with our bonding agent at Aon Risk and with our bond underwriter at Zurich American Insurance Company to notify them of the possibility of your contacting them. If you need their contact information please let me know.

We apologize for the inconvenience that we know this causes you and the Board. Let me know if you have any questions or need additional information.

Sincerely,  
Peck Hannaford + Briggs

James G. Briggs, Jr.  
President
