# BULLYING OR DIVERSITY CHALLENGE ??

By: DarShea Cain

# STOP THE BULLYING/ NO BULLYING ALLOWED

Due to lack of racial diversity in the school, this makes the students unable to understand students who are unlike them. Because of this reason, students tend to make fun of or tease others they don't understand.

Ways to end bullying could be:

- Learning to accept each other
- Accept the flaws
- Accept gender
- Accept sexual orientation
- Accept race
- Accept religion
