Date: May 13, 2016

Consent Agenda Item (Action Item):

Board approval for Read to Achieve Assurance Statements 2016-2017 for the following schools: Betsy Layne Elementary, May Valley Elementary, McDowell Elementary, W.D. Osborne Elementary, and Prestonsburg Elementary.

Applicable Statute or Regulation:

Policy 0.1.11 General Powers and Duties of the Board

Fiscal/Budgetary Impact:

Each of these schools were awarded the Read to Achieve Grant as projected at this time. The funding is to be utilized for staffing, training, professional development and related materials as stated in the grant. Some of the schools allocated additional funds to implement this program during the spring allocation process.

History/Background:

The Kentucky Read to Achieve Reading Diagnostic and Intervention Grant provides schools with competitive funds to design and implement a reading intervention program that addresses the needs of primary (K-3) students reading at low levels. KRS 158.792 3 (b) requires that a grant applicant provide assurances that the following principles will be met if the applicant's request for funding is approved:

1. A research-based comprehensive school-wide reading program will be available
2. Intervention services will supplement, not replace, regular classroom instruction
3. Intervention services will be provided to struggling primary program readers within school based upon ongoing assessment of their needs; and
4. A system for informing parents, of struggling readers, of the available family literacy services within the district established.
